STORIES OF AIKO'S FIRST TIMES

FIRST TIME "HELPING"

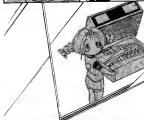

FIRST TIME "LAUNDRY"

FIRST TIME "GUNDAM PLASTIC MODELS"

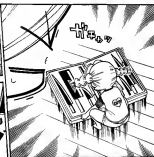

FIRST TIME "COFFEE"

FIRST TIME "COOKING"

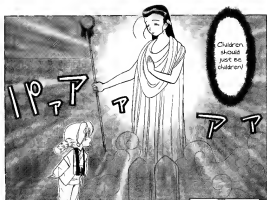

FIRST TIME "DISTRESS"

IF YOU DO, THEN YOU NEED TO MAKE A JOURNEY

THE END

And then...

Everytime I see the sun from my room, I would become sleepy

I become drowsy as the sun sets.

At least I work while I'm awake this way

After trying for a week, I came back to where I started... sleeping in the morning

In my attempt to become "motivated", I wasn't doing anything

I sleep at night after that

In other words...

In nature,
the night
is full of
dangers!

No!

In a million
years history
of mankind
we looked
Nature's
only a couple
of thousand
years old

To get
along with
the sun. The
sun that
started
after we
started in
Nature's
Society

Your
life
and
death
depends
on it

That's
right, you
can't just
recklessly
sleep in
the dark
night

That's
it!

So humans
are animals
nocturnal
creatures

I'll see
you in
Volume 5

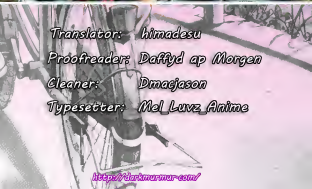

Now that I
have 100% self-
affirmation, I
want force
myself to do
otherwise.
